

EXTRÓ E

design ridea

La caratteristica forma bombata della superficie di Extró si arricchisce, con la versione E, di tagli orizzontali porta salviette: ciò che nasce per essere funzione vive in questo radiatore come fattore estetico imprescindibile.

The peculiar rounded shape of the Extró surface is enhanced, in E version, by horizontal cuts towel-rails; what was born to be a function, lives in this radiator as an aesthetic imperative.
